

TVS BRICKS, BOOKS AND TREES

A Special Way to Honor Family, Friends, or Faculty

BRICKS

Trinity Valley also has many commemorative bricked walkways around our lovely campus. Bricks engraved with an individual's name can be purchased and placed in various locations around the campus. Sample areas include: the Alumni Courtyard, the walk leading to the flag poles, and the recently added "T" by the outdoor concessions, to mention a few. The children love to find their families' names on campus. The commemorative bricks are available for \$250.

BOOKS

Our school libraries also offer choices to honor a special occasion or person. The giving of a book is another shared treasure - a poignant way to reach the eyes and hands of our current students, and those to follow. For a minimum donation of \$25, a book plate is inserted in the donated book. If the individual being honored is a TVS student, he or she can also be the first to check out the book.

TREES

Watching trees grow with our TVS families is an affirming symbol of life. These oak trees, with a commemorative plaque at the foot of the tree, can be purchased through the Advancement Office. The oxidized cast bronze plaques mounted on the stone may honor anyone the donor chooses. The cost to underwrite a tree with a commemorative plaque is \$1,500.

The forms for bricks, books and trees are below. For more information on any of these wonderful ways to honor that special person or occasion, please contact Margaret Kramer in our Advancement Office at 817.321.0100 ext. 103.
