Baking Up Some Fun (PK and K)
July 16 - 20, 9:00 am - 12:00 pm
Denise McDermott, Independent Educator
Put on your apron and cooking hat, too! We’ll read literature such as The Little Red Hen, Who Took the Cookies from the Cookie Jar?, and Cook-A-Doodle-Doo! to inspire our baking recipes. Students will learn about tools that bakers use while measuring, mixing, stirring, and baking. We’ll create art, learn songs, explore math and science, and experience being a baker in the bakery shop. $160

Beginner Chess and Games (K)
June 11 - 15, 1:00 - 4:00 pm
Herminio Baez, Chess Instructor, and Cynthia Davis, TVS Extended Care Coordinator
This camp is like two camps in one! Campers will spend time each day with Mr. B, learning and practicing the basic rules of chess through games and group instruction. Each day will also include an exploration of other card and board games that promote strategy, creative thinking, and good sportsmanship. $160

Camp Astra (K)
July 9 - 13, 9:00 am - 4:00 pm
August 6 - 10, 9:00 am - 4:00 pm
Full- and half-day options

campers more small group and individual free play at
centers. Ms. Davis will also plan collaborative crafts
and projects for participants. $75-$90

**Oceans of Fun**
**July 9 - 13, 9:00 am - 12:00 pm**
Denise McDermott, Independent Educator
Are you ready to make some waves? Dive on in for
an adventure under the sea! We’ll explore the ocean
through stories about ocean animals and mermaids,
too. Campers will have opportunities to engage in
science and math activities like: Float vs. sink, a shell
observation station, graphing multi-colored goldfish,
etc. We’ll also construct mermaid tails, create art
projects, and make oyster cookies. You’re sure to
have a fantastical time! $160

**Old MacDonald's Farm**
**June 4 - 8, 9:00 am - 12:00 pm**
Debbie Burr, Independent Educator
What exactly is a farm and what do farmers do?
Have you ever visited a farm? This class will teach
young students about various types of farms,
animals and crops that are raised and grown there,
and what life on a farm is like. Of course, no study of
farm life would be complete without sampling
foods grown on them. Students will study everything
from cows and carrots to pigs and potatoes and
be engaged through literature, math, singing, arts
and crafts and more. $160

**Once upon a Paintbrush**
**July 16 - 20, 9:00 am - 12:00 pm**
Oil & Cotton Creative Exchange
Explore the famous fairy tales of the Brothers Grimm.
We will learn to draw, paint and sculpt animals of
the Black Forest, paint and sew an adventure
knapsack like Hansel and Gretel, and use the "mirror
mirror on the wall" to learn how to draw yourself.
Plus, paint a self-portrait on canvas in the style of
German Expressionists. $200

**Pocketful of Miracles**
**May 29 - June 1, 9:00 am - 12:00 pm**
Nancy Rea, TVS Teacher, and Judy Bohnsack,
Independent Educator
Join TVS Kindergarten teachers to become familiar
with the classroom and kindergarten classroom
procedures. Explore how mammals care for their
young. Our study of the opossum will integrate
language arts, life science, art, and mathematics as
we use counting, estimating, and measuring skills.
Art and dramatic play will be included to add to the
fun! $130

Enamel Workshop (5) (6) (7) (8)  
August 6 - 10, 1:00 - 4:00 pm  
Barbara Maloney, Independent Educator  
This is a very rewarding, quick, and fun class! Enameling is a fast-paced art form that allows you to enjoy the beauty of glass without the ramping up and down time. It only takes two minutes or less to finish firing your pieces. This allows you to see how the piece looks immediately and, if you are unhappy with the result, make changes to the piece for re-firing! In this workshop, participants will learn the art of fusing glass, in the form of enamel, to metal. We will use copper disks and rectangles as our bases and a variety of opaque and transparent enamels for our designs. Types of metals and enamels, proper preparation of metals, kiln use, and safety will all be covered. You will learn basic sifting, with and without stencils, and sgraffito. Each participant will make 1-3 pieces during the class. The price of the class includes all material fees. $200

The Engineer’s Challenge (5) (6) (7) (8)  
June 4 - 8, 1:00 - 4:00 pm  
July 30 - August 3, 9:00 am - 12:00 pm  
Ryan Ellis, TVS Teacher, and Bainbridge Allen, TVS Alum  
Do you have what it takes to be an engineer? Do you enjoy working with others to tackle challenging problems? Campers will learn about the design process and utilize it to find the best solution in a variety of scenarios. Daily competitions, such as the Edible Car Challenge, will keep campers on their toes, and they will find that creativity and an open mind are the keys to success. $160

Fencing with a Twist of Medieval (3) (4) (5) (6)  
July 9 - 13, 1:00 - 4:00 pm  
Kate Sierra, Competitive Edge Fencing  
Come lads and ladies to Medieval Camp! Over the course of the week, the Knights of CEFC will guide you on your quest to learn the art of the sword. Knights-in-Training will learn to battle both in the medieval style and the modern Olympic style. Participants will design their personal coat of arms, make their own foam sword, and create a shield. Everyone will battle it out the last day of camp to see who will become the TVS Champion! $160

Fibonacci’s Studio: Math in Art (4) (5) (6)  
July 9 - 13, 9:00 am - 12:00 pm  
Susan Campos, Independent Educator  
Expand your mathematical horizons while incorporating art! Campers will study coordinate graphing, Fibonacci circles, Parabolic curves, symmetry, and tessellations all while creating various artworks! $160

Field Hockey (2) (3) (4) (5) (6) (7)
June 4 - 8, 9:00 am - 12:00 pm
Claire Pearce, TVS Teacher and Coach
